

INFORMATION SHEET FOR FAMILY GUIDANCE ORDER (FGO)

This information sheet contains information pertaining to the FGO application and details of the Agencies involved.

Family Guidance Order

The Beyond Parental Control (BPC) Order has been replaced with a Family Guidance Order (FGO) which involves changes in the application process.

The new process requires parent(s)/guardian(s) and the Children and Young Persons (CYPs) to complete a mandatory family programme before the parent(s)/guardian(s) can apply to Court for an FGO.

How should I apply for an FGO?

Parent(s)/guardian(s) who wish to apply for an FGO application must first arrange for an appointment to undergo Pre-FGO Screening. This can be done by contacting the agencies below for an appointment:

Epworth Community Services
