

Filing a Simplified Track Mental Capacity Application Using iFAMS

Quick Reference Guide

If you are applying for a Mental Capacity Act Order that is generally restricted to use of monies of S\$60,000 and below and/or falls within those listed in Annex A, you can file your application using the Simplified Track in the iFAMS system at www.ifams.gov.sg instead of the Normal Track using the e-Litigation system. One more condition is that your application must be consented by all relevant persons (who are usually the patient's relatives such as the immediate family members or persons who are very involved in the patient's life and welfare). The Simplified Track process in iFAMS is set out on the next page, and some commonly asked questions are set out below.

Simplified Track Mental Capacity Application Process

Bring P to see a doctor and ask the doctor to submit a medical report on P's mental capacity in iFAMS.

Doctor may login using his Singpass or Corppass to upload the medical report online

If the doctor enters your e-mail address in the report, the Court will notify you by e-mail when the report has been accepted.

Alternatively, the applicant may send a copy of Form 224 to the doctor to complete the report and commission affidavit and upload on behalf of the doctor via iFAMS

You have 6 months from the date of the medical report to file your application.

Login to iFAMS and submit your application.

You will need to choose what powers you are applying for and provide the necessary supporting information and documents relating to these powers (the system will inform you of what information and documents are required when you choose the powers that you are applying for).

Ask the Relevant Persons to login to iFAMS to consent to your application.

Alternatively, you can upload scanned copies of their signed consents using Form 221 which can be found in the Family Justice Courts website.

You have 3 months from the submission of your application form to complete this step.

Once this step is complete, you will need to pay the application fee of \$40.

The Family Justice Courts will contact you within 3 weeks.

If there are no issues with your application, a Court Order will be sent to you by e-mail.

If there are issues with your application, you will be asked to file further documents or attend a hearing.
